

## Welcome to Your PMA Association Health Plan

### New Benefit for PMA Members

With recent changes in federal health insurance regulations, you may be able to save on health coverage by putting the buying power of Print Media Association's (PMA) health plan to work for you. With PMA's association health plan, you can join with other Missouri-based print industry small businesses to get benefits typically enjoyed by larger companies — including lower premiums, reduced administrative costs and more coverage options to better meet the needs of your employees. As a member of PMA, you're eligible to join our AHP and begin realizing these benefits today.

#### When you join PMA's health plan, your employees get:

- Preferred pricing for PMA members and your employees.
- Wide selection of plan options, including plans featuring medical, dental, vision, life and disability coverage.
- Nationwide network of quality health care providers, including more than 978,649 physicians and health care professionals and 6,184 hospitals under contract.<sup>1</sup>
- Variety of resources and digital tools to help make health plans easier to use and help your employees better understand their benefits, coverage and costs.
